No expense has been spared to make this beautiful, light and modern townhouse suitable for retirees hoping to find a forever home.

Sunny living areas and decks on the top floor allow ocean views watch boats going in and out of Bermagui harbour and access all of this easily with your own private 3 person lift. Lifting shopping or managing stairs to see the view are not a problem in this unique residence.

This semi-detached house is quiet and peacefully located and in almost brand new condition. It has a stunning kitchen, main bedroom, modern bathroom and living areas on the first floor. Downstairs, the beautiful private garden is a generous size and has been professionally and elegantly
