1  1 

Situated in Quaama on large block (2 lots) of 2411m², this quaint cottage overlooks rolling farmland and is a short level walk to the village store. In original condition, with some improvements including re-stumping, re-wiring and installation of roof insulation batts, the cottage offers 1 bedroom plus study with a mezzanine area above the kitchen. Open plan living/dining rooms overlook the extensive gardens and feature a slow-combustion wood heater and floor to ceiling windows.

A large lock-up shed (10m x 3m) with power is detached from the home and is ideal as an artists/craftsman studio/workshop. Established trees and shrubs throughout the grounds and the peaceful rural outlook combine to give the effect of rural living but with the benefits of village
