At the end of a quiet cul-de-sac and only minutes walk to the lake and beach, this is a lovely, coastal home in a private, leafy setting. Thoughtfully designed to take advantage of the garden views, natural light and winter sun the architecturally-designed Courtyard House consists of 2 main sections with living areas and central kitchen connected by a sunny breezeway to the 4 bedrooms and utility rooms wing. Features include cathedral ceilings, floor to ceiling windows, swimming pool, fenced rear grounds and double garage plus a freestanding shed. The house is set on a level and spacious block(5058m2) and with a choice of sunny courtyards and shady verandahs to enjoy the garden outlook. A piece of coastal heaven in a quiet residential neighbourhood only 8 minutes to Bermagui and 20 minutes to Narooma.
