

67 Beauty Point BERMAGUI NSW

A rare offering of a large waterfront block (1100m²) in a picturesque lakeside setting. Adjoining reserve easement on one side, this block was part of the neighbouring property and is now being offered separately.

The gently sloping block features established trees, shrubs and plants and has front row views and direct access to Wallaga Lake.

A lovely private position and the perfect place to build a lakefront home.

Type : Land
Land Size : 1100 sqm
