This exceptional lifestyle property, in an elevated, north-facing position, is on 3.58 ha (8.75 acres) overlooking Corunna Lake, with outstanding views of National Park, lake and Montague Island. The house is of brick-veneer construction, in a practical U-shaped configuration. An attractive courtyard entrance leads to the full-width living/dining areas which feature polished brushbox floors and floor-to-ceiling windows that open to a generous sundeck. With 3 bedrooms and bathroom in one wing and in the other the main bedroom, ensuite and lounge room, the layout is ideal for the privacy of the owners and their guests. A double garage adjoins the house and a separate, large, lined and insulated studio/shed is perfect for art practice, office space or yoga studio.
