

27 Endeavour Drive Wallaga Lake NSW

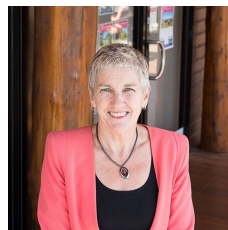

One of the last remaining vacant blocks adjoining lake reserve in leafy, lakeside Fairhaven.

Set amongst quality homes in a quiet street, this large block (2930m²) has town water connected, power, phone and NBN to the block with sewerage available (subject to headworks connection fee).

So much scope for a new contemporary home with peaceful outlook over the lake to Wallaga Lake National park and direct access to Meads Bay.

Ideal for fishing, paddling or just enjoying the local wildlife in this waterfront setting. (Potential for sub-division SCTCA also)
