Some properties feel just right and this is one of them - just the right amount of land, just the right size home, just the right distance from town.

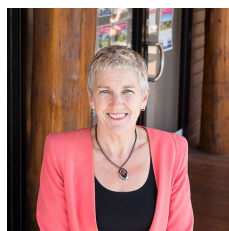

This stylish, modern home includes all the features of a contemporary suburban home but with the privacy of a peaceful, rural haven.

Set on nearly 2 and a half acres (9933m2), the house comprises:

- ? Curved, wave-like roof allowing for north facing clerestory windows in living areas
- ? Cyprus pine flooring throughout the living areas.
- ? 3 of the 4 bedrooms with b/ins and spacious bathroom with bath and separate shower
