This single level, low-maintenance brick home is in the ideal location opposite Beares Beach and only a short walk to all town facilities including golf course, Blue Pool, shops and supermarket.

In original but excellent condition, this home has been thoughtfully designed and well maintained. The main living and master bedroom offer views of the sea and beach reserve and are separated from the remaining 2 bedrooms and bathroom by the central kitchen and informal living areas.

With a large garage/workshop, sunny fenced rear garden and potential for 2nd storey extension - this is an attractive home in a front row beach-side position.
