

11 Bunga Street Bermagui NSW

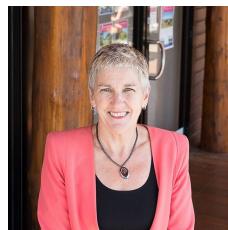

Located opposite the golf course and a short, level walk to all town facilities and beaches, this block (603.5 m2) offers the opportunity to build a brand new home in a sought after position.

With a northwest aspect, the block is also suitable for dual-occupancy development.

All town services are available but water and sewerage headworks charges do apply when building development occurs.

One of the few vacant blocks remaining in this convenient central location.

Type : Land
Price : \$ 288,500
Land Size : 603.5 sqm
