If you are looking for the space, privacy and peace of waterfront acres, this property offers just such a unique opportunity. Just over an acre plus lake reserve frontage (Meads Bay) and a rural outlook gives this property a private, acreage ambience.

Architect designed and built in the 1990's, the innovative, substantial home makes the most of its secluded waterfront setting and features:

- ? Split level design with distinct indoor and outdoor living areas including large, billiard party room
- ? Timber lined cathedral ceilings and clerestory windows provide extra light and design interest
- ? Choice of outdoor entertaining areas - a spacious, sunny deck opening from the dining room and a paved and
