

9 Beauty Point Road Wallaga Lake NSW

With a sunny north facing aspect and a short walk to Camel Rock this well located, 560sqm residential parcel of land is ready to build your ideal coastal escape. Established trees and landscaped grounds provide something extra to a typical vacant block and allow the owner to work with what is there to create a property that truly belongs.

With all services available and limited coastal blocks in established areas available, this is an ideal opportunity to secure a flexible parcel of land at an attractive price point. Convenient to the facilities and beaches of Bermagui whilst taking advantage of the peace and quiet that Beauty Point offers.

Type : Land
Land Size : 560 sqm
