Walk in and leave it all behind. This fully customised four-bedroom house has been constructed to be as functional as it is aesthetic. Follow the spotted gum staircase to a modern living room oozing in quality and style. Both bathrooms unique, but equally remarkable in contemporary design. Downstairs, the boutique kitchen and dining area open to a well landscaped yard which is home to creative outdoor furniture constructed from old timber boats. This home is ready for its new owner to settle down into comfort and class.

Features include:

- Four boutique bedrooms
- Two glamorous bathrooms
- Generous living area with complementary artwork
- Potbelly woodfire, fireplace
- Island kitchen and stylish built in dining
