Fantastic house on Imlay Street just waiting for a new family or retiree's. This home was built with a layout that promotes living spaces, with 2 generous rooms highlighting views it gives a relaxed feel to the home. Outside entertainment areas run out to the inground pool to further compliment this. Upstairs we have the 3rd bedroom which is huge, it could be what its original use was, as a retreat, or converted to be a 4th bedroom. The master has a ensuite and generous walk in robe, large kitchen to keep the cook of the family happy and garages easily 2 cars with generous space around the home for a caravan or flow over of vehicles. What a great home, well worth an inspection if you love a home with space.
