It wont only be the views that blow you away here, the attention to detail on the renovations and the way they contribute to make this home one of the most livable we have seen. 3 bedrooms 3 large bedrooms, bathroom and 2 large living areas and a view, "a view to die for". Renovations to the kitchen and throughout the home mean you just have to walk in and enjoy. The outdoor entertainment area is top notch its also one of the best we have seen. The garden has been made so user friendly offering vege patch and tiered gardens. Of course this home also has a 5kva Solar system in place, we even have a water feature and garden shed. For a family, this home is brilliant, for retirement its also a beauty. Come, buy and enjoy.
