Retirement on one level never looked so good. Solidly built this home features 3 bedrooms, the master with ensuite is very spacious, 2 large living areas and a very desirable floor plan that means you can open it up like a mansion or shrink it down to a cottage for those snugly times. The house features beautiful cornice and plaster highlights, dado railing lead lighting and 2 beautifully renovated bathrooms. The flooring is all new and this home also offers great outdoor living areas. The large double garage has drive through feature for rear yard access and the landscaped garden is easy care and dead flat. Only 200 metres to the golf club and very easy walk to shops and medical centre. Great rental investment as well.
