4  1 

Known on the map as "Rockleigh" this gorgeous home has been standing for more than 100 years and is still going strong. Surrounded by mountain views, green pastures and rolling hills. The 4 bedroom hardwood timber home was built by one of the area's old local families.

Sandy Creek meanders through the property and the orchard complements the garden and additional fruit trees that seem to be as old as the house produce an abundance of fruit. Abundant wildlife are a part of the fabric of the property, part pasture and part reclaimed bushland you can sit on the sun-filled verandah watching echidnas, wombats or the generous number of bird species that make this property their home.
