

49 High Street Bega NSW

2  1  2 

Looking to enter the Bega market under \$500k? Don't think it's possible to secure a home at this price point unless there's something wrong with the construction? Think again as 49 High St Bega is well worth an inspection as it ticks a lot of boxes. Conveniently located in the heart of Bega only a short walk to the CBD, this home would suit either the astute investor or first home buyer alike.

Due to a nationwide housing shortage, the demand for rental properties is higher than ever and this cosy home would be a perfect way to begin your property portfolio.
